

kp Infinity™

Food-to-go packaging with a future

Welcome to a revolutionary innovation in sustainable food-to-go packaging with kp Infinity™ – the fully recyclable choice with a low carbon footprint that is microwaveable and keeps food hotter for longer.

A packaging evolution

kp Infinity™ is the next generation of sustainable packaging, made from EPP (expanded polypropylene) it features:

- ↻ Fully recyclable packaging
- ↻ Premium look and feel
- ↻ Microwaveable

Fully recyclable

Tested across all recycling stages, kp Infinity™ has been independently confirmed as a widely recyclable choice.

Superior performance equals customer satisfaction

kp Infinity™ has leading thermal properties that keep food hotter for longer compared to with alternative packaging solutions while keeping the outside cool to the touch.

Unique properties

kp Infinity™ cuts down on leakages, retaining its food safety and hygienic benefits:

- ↻ Completely water-resistant
- ↻ Highest resistance to acids, alkalis and hot oils
